FOREWORD

This bibliography presents periodical citations on the Middle East, and Approaches. Emphasis is on military and Naval articles which provide background understanding for some of the historic and contemporary issues which concern everyone.

Inclusion of an item, or omission, neither implies USAFAS indorsement, sanction of the compiler's point-of-view, nor does it guarantee accuracy of content. Comment concerning this series is solicited. Companion entries, which also relate to the Middle East, are available from the Defense Technical Information Center, under the following numbers:

ADAO25169	"The 1973 Middle East War; A Bibliography," Feb. 1976. (SB37)
ADAO69560	"Desert Operations; a Bibliography", 1 Apr 1979. (SB61)
ADAl12103	"Afghanistan; a Bibliography of books and Periodical Articles, 21 Mar 1982. (SB82)
